PROJECT

E-commerce Website

Happy Store is a stylish and responsive e-commerce homepage designed using HTML, CSS, and basic JavaScript. It features a navigation menu, product categories, featured and latest products, testimonials, and brand logos. The layout includes promotional banners and a detailed footer with app links and social media. It's ideal for showcasing fashion items like t-shirts, shirts, and hoodies. Simple interactivity is added through a toggle menu for mobile views.

LANGUAGES

- Tamil
